City of San Diego
Sixth District

MEMORANDUM

DATE: September 26, 2007
TO: David Wescoe, SDCERS Retirement Administrator
FROM: Councilmember Donna Frye *Donna Frye*
SUBJECT: Purchase of Service Credits

Due to the SDCERS administrations' refusal to allow me to cancel my previous purchase of service credits, despite allowing other city employees to opt out of this program, I am requesting that you prepare and forward to me the necessary paperwork that would allow me to contribute the full value of the service credits previously purchased.

Thank you for your prompt response.

CC: City Attorney, Michael Aguirre
